

Diva Diverse

The repertoire of this company is just as its name implies; diverse, as they excel in a wide range of dance styles and performances. Belly dance, Bollywood, Brazilian Samba, Bhangra, Break Dance, Hawaiian, Latin/Salsa, Hip Hop, Jazz, and many more; Diva Diverse does it all.

It is that very diversity of dance styles, and even more importantly; the unique cultural individuality of all their dancers, that make their performances the absolute best.
